

NEWSFLASH

July 2010

July Already - What's Happening

Improvements at KTC

Construction on the new lights and ceiling will begin July 19th. We expect it to take about a month for completion. In case of rain, indoor courts will be limited. We apologize for any inconvenience this may create. However, we are excited and hope you are too!

USTA

Our amazing USTA team league winners are hitting the road for Districts beginning the end of July! Schedules will be out in mid July. Let's CHEER them on!!!!!!

Adult Day & Evening Camp

Check your emails for the Friday Day Camp we hold at Quail and our new Evening Camp also held at Quail on Thursday evenings. All levels welcome and always fun!

Forecast for Fall

Our indoor fall session begins August 30th. Lock in those seasonal times now so you can get the best time for you! The schedule for leagues, drills, junior groups, etc. will be out by July 23rd. Check the website, and we will also have hard copies at the front desk of each club.

GMVTA Teams

If you are interested in being on a GMVTA team this fall, let Darrin or J.P. know. We will be adding a few more teams & want to be sure everyone who wants to be on a team, gets on a team. Always a fantastic warm-up for the USTA season!

Social Committee

We know that many of you have great ideas & fun things we could be doing here. We'd love to have a social committee to give us a little (or big!) spark in planning some new & fun activities here at the club. Let Darrin or J.P. know if you would be interested in adding that spark for us!

Go Paperless!

Just a reminder that we now have convenient options for you to pay your bill electronically. You can receive your statement via e-mail and then sign up for auto pay with your checking acct or credit card or logon to our website and view and pay your bill at your leisure with a credit card (Visa or Mastercard only). Just contact JP at jp@ktcquail.com to get setup for the electronic method that works best for you. And of course you can still pay by sending your check in or paying at the desk!
